BUILDINGS DIVISION, BANGALORE.

Notification dated 20th December 1952.

Sealed quotations will be received up to 3 P.M. on 12th January 1953 at the Office of the Executive Engineer, Buildings Division, Bangalore, for the supply of the following materials required for the construction of the New Houses of Legislature at Bangalore.

Each quotation should be accompanied by a Treasury Chellan for having remitted the Earnest money of Rs. 500 in cash to the credit of "I Deposits and Advances—II Deposits not bearing interest—'Revenue Deposits'" and should be superscribed on the cover as "Quotation for the supply of materials required for the construction of the New Houses of Legislature at Bangalore".

1. Supply of size stones as per specifications noted below:—

(*a*) Size of each stone should not be less than $2' \times 1' \times \frac{3}{4}'$ stones and to be supplied from approved granite quarries and shall be sound, hard, durable and tough and uniform in colour and texture.

(*b*) Supply of Bond stones—size not less than $3' \times 1' \times \frac{3}{4}'$ as per specifications for size stones detailed under 1(a) above.

Rates for the above 2 items to be quoted for supply of 100 C.ft. of stones at (1) Quarry and (2) at the Building site.

2. Supply of granite jelly for concrete work:—
Size $1\frac{1}{4}$" to $1\frac{1}{2}$" well broken granite jelly with nearly square faces and without flakes or any soft stuff. Rates per C.yd. of jelly at (1) Quarry and (2) at the Buildings sites.

3. Supply of granite baby jelly for Reinforced Concrete work:—
Specifications and conditions of supply are the same as for item 2 above only the size should be $\frac{1}{2}$" to $\frac{3}{4}$".

4. Supply of sand as per specifications noted below:—
The sand shall be of course grain angular and free from dust and alkaline and other salts. It is to be supplied from approved places and rates are to be quoted for supply at the site of the Building. Rate may be quoted per C.yd.

N.B.—Sample of each of the above materials with the name of the quarry and its distance from the site of the building has to be produced with the quotation.

G. KRISHNASWAMY,
7024 *Ex. Engr.*

BANGALORE DIVISION.

Abstract notification dated 20th December 1952.

The attention of the public is invited to the detailed Notification inviting sealed tenders for restoration of Ganakallu tank (Kayamgutta) Reg. No. 296, Tavarekere Hobli, Magadi Taluk, published on page 4 of Part VI of the *Mysore Gazette*, dated 1st January 1953. The last date for the receipt of tenders is 4 P.M. on 19th January 1953.

A duplicate chellan for having credited into the Treasury the deposit amount of Rs. 460 under '40(i) Remittances payment into Treasury by P.W.D. Offices, should accompany each tender.

H. S. NARAYANA SETTY,
7270 *Executive Engineer* I/c.

TUMKUR DIVISION.

Tender Notification dated 12th December 1952.

Sealed tenders will be received in the Office of the Executive Engineer, Tumkur, up to 4 P.M. on 13th January 1953 for the work of constructing a Middle School at Gulur, Tumkur Taluk, as noted below.

2. Tender should be accompanied by treasury chellan for having credited the earnest money under revenue deposits. After tenders are disposed off, the treasury chellan accompanying the tender of unsuccessful tenderer will be returned to him by the Public Works Department with an endorsement signed by the Divisional Officer to the effect that the tender is rejected and the amount of the chellan may be repaid to the party concerned.

3. For items not provided in the estimate, schedule of rates will be paid or as per data worked out during execution of the work.

4. No dues from the department or cheque will be accepted.

5. Copies of the contract document, schedule of drawings may be seen at the Office of the Executive Engineer, Tumkur Division, Tumkur, on all working days during working hours.

6. Specific rates should be quoted for each item of work in the abstract notification, accompanying the tender which may be obtained on payment of annas four (0-4-0) only per form in the Office of the Executive Engineer, Tumkur Division, Tumkur, on all working days during working hours. Tenders offering on percentage basis of estimate will be rejected.

7. Rates quoted will hold good even though six months or one year is taken for acceptance of tender.

8. Rates quoted by the contractor will be considered as inclusive of Sales-Tax. No separate claims for sales-tax will be considered. The contractor should furnish income-tax certificate with the tender or before the execution of agreement at the latest, failing which the tender will be cancelled and deposit will be forfeited.

9. No conditional clauses will be accepted,

Taluk	Name of work	Amount of estimate	Earnest money required
		Rs.	Rs.
Tumkur	Constructing a Middle School for the Government Middle School at Gulur, Tumkur Taluk.	13,400	670

H. S. NARASIMHA IYENGAR,
6820 *Executive Engineer.*

Notification dated 27th December 1952.

Quotations should be accompanied by Treasury Chellan for Rs. 50 for having credited the earnest money under Deposit. After tenders are disposed off the earnest money will be refunded to the unsuccessful tenderers.

2. Specific rate should be quoted for.

3. The rates quoted will hold good for one year from the date of acceptance of tender.

4. Rates quoted by the Contractors will be considered inclusive of sales-tax.

5. No conditional clauses will be accepted.

6. Any or all damages and breakages in loading and unloading shall be made good immediately.

K. V. SIDDABASAVIAH,
Ex. Engr.

7251

MYSORE DIVISION.

Notification dated 21st December 1952.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Mysore Division, Mysore, upto 12 NOON on Saturday, 24th January 1953, for the construction of Twin Subordinate's Quarters at Periyapatna.

An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of ..... 1953.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office, Mysore Division, Mysore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed :—

Description of work	Amount of the sanctioned estimate
Construction of Twin Subordinate's quarters at Periyapatna.	Rs. 8,100.

4. Each tender must be accompanied by a deposit of Rs. ..... (Rupees) in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for the construction of Twin Subordinate's Quarters at Periyapatna" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the ..... who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered as cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for Contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

V. B. NAIDU,
Executive Engineer.

7206

BUILDINGS DIVISION, MYSORE.

Tender Notification dated 10th December 1952.

Sealed tenders duly signed by the contractors will be received by the undersigned upto 11 A.M. on 16th January 1953.

Sl. No.	Name of work	Earnest money deposit Rs.	Work to be completed
1	Providing sanitary and supply fittings to Crawford Hall, Mysore.	1,600	June 1953.

For each item of work individual rate may be quoted both in words and figures.

The tender will hold good till acceptance or otherwise by the competent authorities.

For lumpsum provisions and for non-tendered items the rate will be paid as per current schedule of rates. In the case of non-scheduled items, rates based on data with 10 per cent profit will be paid. Printed tender forms can be had at the office of the Executive Engineer, Buildings Division, Mysore, on payment of one rupee for each form.

Tender submitted in other than the printed forms will be rejected. No cheques will be accepted.

Each tender should be accompanied by a treasury chellan for Rs. 1,600 as earnest money deposit to the Government Treasury to be credited to "Revenue Deposits."

The final acceptance of the tender will rest with the Superintending Engineer, Cauvery Circle, Mysore. Estimate and plans will be available for reference in the office of the Executive Engineer, Buildings Division, Mysore. Any further particulars required can be had in the office on all working days during working hours.

The successful tenderer should bind himself by the departmental rules in force and execute the necessary agreement within a week of acceptance of his tender failing which the earnest money deposit will be forfeited to Government.

The Department does not bind itself to accept the lowest or any tender or to assign any reason whatsoever for rejection of any tender.

Quantities noted in the estimate are only approximate.

The rates quoted by the tenderer should hold good till the completion of the work irrespective of the fluctuation in rates. The work should be completed in all respects by the end of March 1953.

The tenderer should not impose any conditions for supply of materials either controlled or of free market but all necessary help will be afforded to get permits for controlled materials.

The tender should include sales tax and any other individual taxes or charges.

B. V. PATANKAR,
Executive Engineer.

7174

OFFICE OF THE EXECUTIVE ENGINEER, UPPER CAUVERY DIVISION, KRISHNARAJANAGAR.

Notification.

Sealed tenders duly signed by the contractors will be received by the undersigned up to 4 P.M. on 21st January 1953, for constructing a Masonry Ane for opening out a feeder channel to Nagaraghatta Tank, Krishnarajpet Taluk.

For each item of work individual rates may be quoted both in words and figures.

The tendered rates will hold good till the acceptance or otherwise by the competent authority.

The lumpsum provision for non-tendered items, the rates will be paid as per minimum current schedule in case of scheduled items. For non-scheduled items, rates based on the data got up on the minimum current schedule will be allowed.

Printed tendered forms can be had at the Office of the Executive Engineer, Upper Cauvery Division, Krishnarajanagar, on payment of Re. 0-4-0 per form. Tenders submitted in other than the printed form will be rejected. No cheque will be accepted.

Each tender should be accompanied by a treasury chellan for Rs. 350 as earnest money paid into the Treasury under Revenue Deposits. It should be incorporated in the chellan the name of officer on whose behalf and the name of work for which the amount is deposited.
